BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONER OF
MIAMI- DADE COUNTY, FLORIDA,

Section 1. Section 2-8.1 of the Code of Miami-Dade County, Florida, is
amended as follows: ¹

Sec. 2-8.1. Contracts and purchases generally.

(a) *Scope.* Except as provided in subsections (b),(f) and (h), this section shall apply to all contracts for public improvements and purchases of all supplies, materials and services other than professional services.

(b) *Bid requirement for certain purchases; delegation of authority to advertise, award and reject bids or proposals for certain purchases.* Formal sealed bids shall be secured for all contracts and purchases within the scope of this section when the transaction involves the expenditure of one hundred thousand dollars (\$100,000.00) or more, except that the Board of County Commissioners, upon written recommendation of the County Manager, may, by resolution adopted by two-thirds (2/3) vote of the members present, waive competitive bidding when it finds this

is to be in the best interest of the County. The County Manager is hereby delegated the authority to advertise for bid, award, and reject bids or proposals for contracts for public improvements (construction) costing five hundred thousand dollars (\$500,000) or less and purchases of supplies, materials and services (including professional services other than professional architectural, and other services subject to Sec. 2-10.4 and Sec. 287.055 Fla. Stats.) costing one million dollars (\$1,000,000) or less without the need for action by the County Commission. >>The authority to award contracts provided in the preceding sentence shall not constitute authority for the County Manager to exercise an option to renew any contract where the combined value for such contract's initial term and the option to renew would exceed one million dollars (\$1,000,000), and in such instances the County Manager shall obtain the prior authorization of the County Commission to exercise such option. The County Manager may recommend that the foregoing requirement to obtain prior Commission authorization to exercise an option to renew be waived for a specific contract when the Manager deems it to be in the best interests of the County.<< The Inspector General shall be invited to participate as appropriate in the processes by which the authority delegated hereby is exercised. The County Manager is delegated the authority to utilize any of the following processes for selection of a contractor to perform contracts for public improvements involving the expenditure of five hundred thousand dollars (\$500,000.00) or less: competitive price bidding, request for proposals, or request for qualifications without the need for prior approval of the County Commission. The County Manager shall review all construction projects to determine whether the break-up of the project into smaller contracts will increase the opportunity for CSBEs to participate therein. For those contracts where the County manager requests authority from the County Commission to advertise, the request for such authority shall advise the steps taken to accomplish the foregoing sentence. The County Manager may designate appropriate County staff to exercise the authority delegated hereunder by administrative order, approved by the Board of County Commissioners.
